(Secy of State)

R - Memo frm DAD/00 for FBIB -  
advising that 00 recd. ltr dated 5/2/47  
from the Spec Assistant to the Secy of  
State and giving excerpts:

"The digest of USSR broadcasts which  
the Foreign Broadcast Information  
Branch sent regularly to Moscow were  
of great assistance and value to the  
U.S. Delegation. I hope very much  
you will express to the people  
responsible for their preparation the  
thanks and appreciation of the  
Delegation for the excellent manner in  
which these summaries were prepared."  
He further requested that since the  
summaries proved so useful and informative  
that Ambassador Smith, per request,  
continue to receive them on permanent  
basis.
